Think of a trip and Aawara adventures is what comes to my mind! The quality and consistency of the tour gets better and better every time only when you think you're satisfied! Hands down the best in business with the most genuine and goofy team of tour managers! You do not have to bother about food, accommodations, transit or people when with them since everything is so generously paid attention to! They will make you want to take more and more trips with them because that is how good they are! I wouldn't think of going with any other TA's #loyal to aawara adventures forever; and so should you, give them a shot and there will be no disappointments! Also, the happiness on my face says it all 😊

We had the most remarkable friends tour with Awara adventures. Not only everything was perfect, but we felt, in every instance, that our guides and our gulet crew truly cared about us, they did their best to make this trip memorable. For a group like ours, this definitely has become the most eye-opening, adventurous, and stunning journey of our lives - something we will remember, draw upon, and cherish for many years to come. Over all it was a life remembering experience. We definitely will be back!

The best adventure group you must select for leisure and enjoyment. They provide the best facilities for food and stays at a very reasonable rate which most of the adventure groups don't give attention to. There were some last minute alterations, but it never affected our enjoyment and fun. Whatever we did and wherever we went, we always came back with a truck load of happy memories. It doesn't feel lonely at all as everyone is very welcoming, one just feels like having a trip with a group of friends only, full of fun and relaxation. The best adventure trip i had so far was with aawara.
